Friday December 12, 2014
Post-Conference Cyber Exercise
9:00am – Noon
(Ballroom)

"#OpDigitalTreasure"

Presenter: **Jeff Wright, Support to DHS/NCCIC/US-CERT**

Montana State Information Technology Services Division (SITSD) and Homeland Security will conduct a three-hour discussion-based exercise to increase cybersecurity preparedness among Montana's state and local information technology and information security personnel. This group interactive exercise offers participants a chance to exchange ideas and perspectives with colleagues and other professionals in response to a cyber - scenario.
